### **Face Coverings are Required for Riders and Drivers**

Ozaukee County Transit Services will require all passengers and drivers to wear face coverings while using or operating the Ozaukee County Shared Ride Taxi and the Ozaukee County Commuter Express Bus beginning Saturday, August 1 through September 28, 2020.

The Executive Order issued by Gov. Evers requiring face coverings can be found [here](#). A list of frequently asked questions can be found [here](#).

Updates about the local spread of COVID-19 are available at the Washington Ozaukee Public Health Department website: [www.washozwi.gov](http://www.washozwi.gov).

Passengers under 5 years of age are exempt from this order. Accommodations will be made for individuals with health conditions, including mental health, or disabilities that do not allow the individual to wear or remove a mask.

Service on the Ozaukee County Commuter Express is suspended at the time of this announcement. The face coverings requirement will apply if service resumes prior to the expiration of the State order.

Thank you for your cooperation, and for continuing to make Ozaukee County Transit safe for passengers and drivers.
