

Shared Ride Taxi Provider Changing Jan. 1st

Ozaukee County will start contracting with GoRiteway Transportation for Shared Ride Taxi on January 1, 2023. Here's what riders can expect in the next few weeks:

No changes for punch cards or reservations.

Riders can continue to call the dispatch for reservations at 262-284-8294.

Drivers accept a punch card, cash, or check for fare payment.

Punch cards can be purchased in the Transit office by cash, check, or credit card.

No changes to the Taxis.

Look for the same Ozaukee Shared Ride Taxi vehicles.

Some new faces and voices.

Your usual driver may change. Some of the dispatchers will change, too.

We expect to be short staffed for the first few weeks in January. Please call the day before your scheduled ride to confirm with dispatch.

**Shared Ride Taxi will be closing at 6:00 pm on New Year's Eve (December 31st).
The Taxi will open again on Monday, January 2nd for regular service.**
